Vision

No Fun At All

I have one feeling
That you will finally come
I have that feeling
I know know that I'm rightI have been dreaming
That you will finally come
I have that been dreaming
I know know that I'm rightOoh, I wanna have that feeling
Ooh, to be the only one
Ooh, I wanna have that feeling
Ooh, to be the only one for youI have been waiting
For you to finally show
I have been waiting
I know that I'm rightI have been praying
For you to finally show
I have been praying
I know that I'm rightOoh, I wanna have that feeling
Ooh, to be the only one
Ooh, I wanna have that feeling
Ooh, to be the only one for youOh, baby just for you
Oh, baby just for you
Oh, baby just for you
Oh, baby just for you
I gotta vision of youOoh, I wanna have that feeling
Ooh, to be the only one
Ooh, I wanna have that feeling
Ooh, to be the only one for you
