

Somethin Bout Yo Bidness

Snoop Dogg

[raphael saadiq]Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' be your man

Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' change your plan

[snoop dogg]You got yo' thang, and I got mine

You see, I can give it to you like all the time

If you, gimme them digits let me holla at you baby

Stop playin games, let's do this damn thang

Cause you the whole thang, with the candles and the ice

And then the champagne, whoot wham bing bing bang bang!

Now, what's love got to do with this?

Cause if you cool with this I'm through with this

Baby is we doin this?

[raphael saadiq]Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' be your man

Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' change your plan

I know when you'll change your mind;

That's when your rent is due (when your rent is due)

And you're many months behind

How's that to treat your friend

With that attitude.. you can leave it all behind

Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' be your man

Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' change your plan

[snoop dogg]You say that you don't, you say that you won't

I think that you will, cause girl I'm way too real

And every girl need a g, and we see g

I saw you lookin at me, when I was with warren g

You peepin not speakin and that's freakin me out

It's somethin bout yo bidness baby and it's flippin me out

I really can't understand why it's so easy, for you to tease me

'fore it's over, you'll be miss snoop deezy

[raphael saadiq]Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' be your man

Somethin about yo' business, I really don't understand

But if you keep on teasin me girl, I'm gon' change your plan

Somethin about yo' business, I really don't understand
But if you keep on teasin me girl, I'm gon' be your man
Somethin about yo' business, I really don't understand
But if you keep on teasin me girl, I'm gon' change your plan
Somethin about yo' business, I really don't understand
But if you keep on teasin me girl, I'm gon' be your man
Somethin about yo' business, I really don't understand
But if you keep on teasin me girl, I'm gon' change your plan
