

A.N.G.E.L

Isac Elliot

Life is ups and downs
Sometimes you give it your best
But it don't work out
Life ain't always fair
Sometimes you think you found the one
Till' they disappearOoh, ooh
I know you've been hurt before
Ooh, ooh
You ain't gonna worry no moreBaby just hit me up
I'll be your pick me up
When you need an A.N.G.E.LWhen you gotta' losing hand
And nobody understand
Imma' be your A.N.G.E.LLove ain't always free
It'll hurt you bad
It'll cut you deepStill love is all you need
You gotta' pay the price
When you play for keepsOoh, ooh
I know you're worth the risk
Ooh, ooh
And I'm going all inBaby just hit me up
I'll be your pick me up
When you need an A.N.G.E.LWhen you gotta' losing hand
And nobody understand
Imma' be your A.N.G.E.LI'll be your light at the end of your tunnel
I'll be your legs when you start to stumble
I'll take you to heaven, if you're going trough hell
Imma' be your A.N.G.E.LI'll be the one to shine a light on you
When the whole world turns to black
I'll be there waiting
When it's all fading
When nobody's got your back
