## Matchbook Romance

Verse 1:

The one mistake that I happened to make  
You had to be standing right there  
Your watching me, your jetting me  
Well that isn't fair

And I know that its sad, but its all that I've had in so long  
But it's alright now your gone

Verse 2:

The one mistake that you happened to make  
You better be standing right there  
Watching you, protecting you  
Well I do my best and I know that it's sad  
But it's all that I've had in so long

Now I'm all done. It's alright. Now it's over

Chorus 1:

(You) Know it, you seen it, you'd hate to believe it

But you can't get it outta your head (2x)

Chorus 2:

Yeahhh ya can't get it outta your head

You know it, you seen it.

You'd hate to believe it

But your just too scared you might throw it all away (Instrumental Break)  
(You) Know it, you seen it, you'd hate to believe it

But you can't get it outta your head (7x) You know it, you seen it, you'd hate to believe it

But your just too scared you might throw it all away
