

stranger things

Kristin Mainhart

Cold toes, new sheets
Welcomed all the same
 We know if we go
 It's only temporary
 Went away, holiday
 Wish they'd linger on
They'll think what they will
We'll stay where we have gone
 The glaring lamp's on
 Her job is well done
 Half asleep
 I'm only half won
 Old sheets, warm toes
 Look away as I leave
 New light lays bare
Holds my guilt up to me
 I'll toast three cheers
 And for work we'll sing
 Back to what we do
I've heard stranger things
 So turn the lamp off
 My wandering eyes stop
 Endure the thoughts of
 And start where you love
 We'll start from where
 We last left off
The lines that we'll draw
 Begin and don't stop
 The corners approach
 We'll take the best turns
The bends have brought talk
 Of what we have learned
 Enjoy the chance of
 Frozen new grounds
 Everything's odd
 With beautiful sounds
 I've learned to smile
 Without a bearing
 At least I know I've

Heard stranger things
