

Ravishing Matt Ruth

Chiodos

This melody never seemed quite right
Nothing you could ever sing along to
Eerie rhythms creeping through doors
If I close my eyes you won't ever see me
Count to ten you will never see me
You won't ever see me
Hide in sanction
I'll show you how I bury myself tonight
This fear runs through my veins
Run, run as fast as you can
Never look behind, never turn around
Run, run till I find who I am
Never look behind, never turn around
As I fall face down, I was young
And now I still remember
I still remember everything
And all the pain you caused
