So Cold

Paula Deanda

Love can be so cold
Love can be so cold, oh woh
I think it's time that I told you the truth, yeah
'Cause it's on my mind so let me do what I gotta do, yeah
'Cause it's someone else so I can't see you no more
I can finally see my smile again
'Cause he's the one my heart beats for
He makes me feel like I'm
His number one, his prize
Tells me everyday I'm his everything
And I never got that from you
So don't try to change my mind
'Cause I've had enough this time
And you always let me down
And now you can't turn your back around
Ain't it cold
When the one you love lets you go?
And you got no one to hold, yeah, yeah
That's the way you make me feel
Boy, it's cold
On the other side, yes I know
Now it's time to let you go, yeah, yeah
Love can be so cold
The tables turned
And nothing stays the same, yeah
How we used to do
You know we don't do it that way
It's been so long
And not much more to say
The memory of you and me is gone
Today is a brand new day
Ain't it cold
When the one you love lets you go?
And you got no one to hold, yeah, yeah
That's the way you make me feel
Boy, it's cold

On the other side, yes I know
Now it's time to let you go, yeah, yeah

Love can be so cold
You should know that I forgive you
Boy, I hope that you can move on
'Cause you said you'll be fine without me
But love gets tricky when you're all alone
Ain't it cold
When the one you love lets you go?
And you got no one to hold, yeah, yeah
That's the way you make me feel
Boy, it's cold
On the other side, yes I know
Now it's time to let you go, yeah, yeah
Love can be so cold
Ain't it cold
When the one you love lets you go?
And you got no one to hold, yeah, yeah
That's the way you make me feel
Boy, it's cold
On the other side, yes I know
Now it's time to let you go, yeah, yeah
Love can be so cold
Ain't it cold
When the one you love lets you go?
And you got no one to hold, yeah, yeah
That's the way you make me feel
Boy, it's cold
On the other side, yes I know
Now it's time to let you go, yeah, yeah
Love can be so cold
Love can be so cold, oh woh
Love can be so cold, oh woh
Love can be so cold, oh woh
Love can be so cold, yeah, yeah
