

# The Flow

## Prince

Contradiction, my prediction is that  
Is it really important where I take my naps? No  
Or who I sleep with?  
People with a real mind will peep this out, yo out  
Then there goes your clout  
Another fool don't know what she's talkin' about  
Like the woman who tried to approach and  
Attempt to roast and even boast about, what  
How she know me what is said, damn, here we go again  
You never went to school as far as I know  
And now you're tryin' to say that you're writing a bio about me?  
Girl, I hate to say this, nigga please, I go places that you never go  
Ask what I'm kickin', I'm kickin' the flow  
Rock to the F.L.O.W  
(Wait a minute, Minneapolis, Minneapolis)  
Just like you're supposed to do  
(Minneapolis, Minneapolis)  
Rock to the F.L.O.W  
(Wait a minute, don't kill me please)  
(No, no, I ain't gonna kill you man)  
Just like you're supposed to do  
(Tony, shoot that piece of shit)  
Just give me the beat and something to flow on  
And before long I have 'em bobbin' their jugheads to this funky song  
Yeah, we're watching people scatter to the dance floor  
Slammin' and shakin' their booties, screamin' yo T give me more, more  
So more is what I give 'em, NPG  
rockin' the track  
Yo' tell me how we're livin', livin' large, T  
You damn right, that's how it be, I see  
Gotta keep it that way so that 5-0 can't find me  
And I'm sneakin' up the back of a pack of rats  
They thought I was asleep, but I'm sayin' it ain't all that, no  
Not with a 9 fadin' my back, I don't hang with the hat pack, bang  
Yo, I'm runnin' silent, solo black  
Sleek neat creepin' gangk peepin', oh  
Known to put a damn fool to sleep who pulls a cheap one, whatcha do?  
That's when I change my speed and flow on  
Then I start slippin' and skippin' and jumpin' around  
So much I say bring it on  
Rock to the F.L.O.W  
(Wait a minute, Minneapolis, Minneapolis)  
Just like you're supposed to do  
(Minneapolis, Minneapolis, speak english)  
Rock to the F.L.O.W  
(Wait a minute, Minneapolis, Minneapolis)  
Just like you're supposed to do  
(Speak english)  
Speak english, speak english  
Speak english, speak english  
(Ladies and gentleman, ladies and gentleman)

Rock to the F.L.O.W  
Just like you're supposed to do  
(Ladies and gentleman)  
Rock to the F.L.O.W  
Just like you're supposed to do  
Rock, rock, rock, rock
