Glad

Attentat

Everywhere you go, perfection
Follows you the wrong, direction
And you will never see it for
You get all that you need and more
You see it, you want it
You find it, it's yoursBut you can't say what you want or
Take what you want or
Choose the moods that you fake when you want
You said your life couldn't get much better
Where it's at, yeah
And aren't you gladThe only one of five, exception
The child of your pride, deception
And on your list of things to do
Is make me fall in love with you
You find one, you want one
'Coz I'm one, who plays, yeahWell,you can't say what you want or
Take what you want or
Choose the moods that you fake when you want
You said your life needed something special
Which you don't have, yeahYou can't say what you want or
Take what you want or
Rest and wake anyway that you want
You said your life couldn't get much better
Well, here I am, yeah
And aren't you gladNow you got it bad
I know you doYou can't say what you want or
Take what you want or
Choose the moods that you fake when you want
You said your life couldn't get much better
Then where you're at, yeah yeahAnd you can't say what you want or
Take what you want or
Rest and wake anyway that you want
You said your life needed something special
Which you don't have, yeahWell, aren't you glad
Well, aren't you glad
Aren't you glad
