

# Lily Berlin (I wish you were here)

Martin Levac

na na na!.....na nanan na na na

I've been traveling around the globe and I don't get enough sleep  
in and out I keep the thought of you and me oh baby ease  
'Cos here in Berlin it's cold enough to freeze in

And as I shutter in my room I keep thinking of you  
I can't help myself there's too much pain that we are going through  
oh my darling I wish you were here in Berlin

'Cos in the hotel down the hall there was a girl last evening  
she'd been gazing at me so I knew she was up to something  
but all my loving I am saving for you in Berlin

So I got back to my room leaving my drink half full  
I laid down in bed and started dreaming of how much your lovin's good  
it's now four in the morning still freezing to death in Berlin!

Na na na.....
