Edward

Shannon Thomas

I tried to tell myself he got a good impression
I tried to make myself ask him one simple question
But I did not know how he felt, it wasn't easy
So I let him slip, I let him slip away

But did he know
Did he know, oh
Did he know that he was the only one I noticed

Chorus:
Did Edward know I wanted him bad
I just couldn't show the feelings I had
Did Edward see in me what I saw in him
'Cause it was everything
It was everything

When summer came, I knew that it was surely over
We'd graduate and I wouldn't find a four leaf clover
And if he wanted me the same way that I wanted him
There was no, there was no indication

But did he know
Did he know, oh
Did he know that he was the boy I needed

Chorus

Don't know why I couldn't tell him
Must've been way too afraid
Now he's gone, I'll never see him
I'll never say what I needed to say

When I noticed him looking in my direction
Was it just a figment of my imagination
I'd like to think the reason he never talked to me
Was a tragic case of the butterflies I couldn't see

Chorus (2X)
