Everything that happend to me that was good, God did it

Lead Ohhh everything that happend, to me that was good God did it

Choir God did it

Lead Yes He did

Lead He picked me up, turned me all around, placed my feet, on solid ground
Everything that happend to me that was good God did it

Choir God did it

Lead Yes He did

Choir God did it

Lead Yes He did it

Choir Oh yes he did it
