You Baby

The Mamas & The Papas

From the time I fall asleep
Till the morning comes
I dream about you, baby
And I feel alright
'Cause I know tonight
I'll be with you baby
And who makes me feel like smiling
When the weary day is throughWho
You baby, you
I'm talking about my, baby
You baby, nobody but youWho
You baby, you
I'm talking about my, baby
You baby, nobody but youThey say candy is sweet,
But it just can't compete with you, baby
You've got everything I need
And nobody can please like you, you, baby
And who believes that my wildest dreams
And my craziest schemes will come true?Who
You baby, you
I'm talking about my, baby
You baby, nobody but youWho
You baby, you
I'm talking about my, baby
You baby, nobody but youA little ray of sunshine
A little bit of soul
Add just a touch of magic
It's the greatest thing
Since rock n' roll, yeah, babyWho
You baby, you
I'm talking about my baby
You baby, nobody but youWho
You baby, you
I'm talking about my baby
You baby, nobody but youWho
You baby, you
I'm talking about my baby
You baby, nobody but you
