If You Want To

Young Prisms

If you want to
I can?t fall in love ?knowin I still got these feelins for you ?.it?s been so long since I told you we was thru?. you kept in touch and I touched as well?.. Thought we kept it cool Now you Boo?d up? found you some one to replace me thass wassup?. I found me a girl but I did it for front?(or fun) Baby girl is cool but she?s fallin in love?. but I don?t think I?m thru which you baby
Chorus
I still choose you if you want to I still touch you, if you want I?m here for you baby?I still choose you?if you want to I still crush you if you wan to??..

She?s falling in love I wish that I could catch her and be that dude?. but my arms are full cuz I?m still holdin you ??I could try to catch her but I get torn between the two and that?s n?er cool?.. why you with this dude its apparent he don?t love you like I do
?.he may have moves but Baby?. I GOT GROOVE ? and deep down you know he can?t groove you like I do
Chorus
I need you more then anyone has ever needed you you got me now I know youre the only one to make me feel complete thru and thru so just know that I got you if you want to cuz I don?t think you?re thru with me baby
