

# Worship You

## Vampire Weekend

Only in the way you want it  
Only on the day you want it  
Only with the understanding: every single day you want it  
[X2]  
You, youCity with the weight upon it  
City in the way you want it  
City with the safety of a never-ending blessing on it  
[X2]  
You, you[Chorus]  
We worshipped you  
Your red right hand  
Won't we see you once again?  
In foreign soil, in foreign land  
Who will guide us through the end?Calling on a change, you want it  
Calling on the same, you want it  
Calling for the misery to always be explained, you want it  
[X2]  
You, youEnergetic praise you wanted  
Any kind of praise you wanted  
Little bit of light to get us through the final days you wanted  
[X2]  
You, too[Chorus x2]
