Pepper Shaker

Josephine

Rainstars to fall to off like-ah a mad hand in a pepper shaker
Can someone please arrive to say they're aging with just slumber
what keep your little secret when there's so much that we should be doing hereHere's the moment when I
Feel the freedom of the
Comin' moon night and it's
One great reason to give
Lying lovers are the shiver of this no-persuasionIt's a crime but
You and I
Side by side
It's a crime but
Who think decides
Who's side by sideRainstars to fall to off like-ah a mad hand in a pepper shaker
Can someone please arrive to say they're aging with just slumber
what keep your little secret when there's so much that we should be doing inIn your defense I've seen you
ignorant of your desire
With everything you need I've never seen you ask for treasures
When I still need to pay the day for the little booties I'd take on
It's a crime but
You and I
Side by sideIt's a crime but
Who think decides
Who's side by side
