

# No Lies (feat. Dub Gabriel)

## MC Zulu

Advisory - the following lyrics contain explicit language:

What you see is what you get, and right now me a chat to  
the gal without any regretCHORUS

I aint telling NO lies

I Got the worst of intentions

And I cant control myself when you wind it slowIll give it to you ALL night  
The pleasure too much to mention

if you want to spend some time let the bad man knowPractice my opening lines I get, reject and Criticize again  
So, Forget about de pickup words and advice

can't work from you bad like meKnow what I Want in life I dont, give dem no Warning signs

I just go, right to the matters at hand;gal what you doing tonight?

Come with the bad manThis is your invitation

I woulda give it out under one condition

Let go the pride and the false pretenses

nobody benefit from the competitionTell a gal everything she wants to hear?

She wants you to whisper sweet nothings in her ear?

No sir. Just remember why dem call me the real bad man

new directionCHORUS

Let The Bad Man Know

- If I like what youre talking baby girl Im a call away

- All a you friend dem well envious no matter what dem say

- Dem a bawl fi di wicked agony and dem no wan delay

- Stamina coulda never get defeat thru the night and dayMistresss, Coulda be the gal in distress  
Who misses how de man caresss (what a mess)

Caught up inna World of business, he couldnt care less about de woman

Mek she look a love interestLooks like this coulda be the perfect time to make her know the things  
I-Man doMake she holla out 'pon reflex she wind to de Riddim me provide all de nightMe deh wit de proper

bag a tricks from de woman dem decide seh dem wan go

seek happinessMan have to Know how de woman get together wit dem friends whe dem chat bout  
when dem get vexI got de remedy designed fi mix up uno mind and me no have to tell you

whats next... The gal a express passion to excessCHORUS
