

Party All Night

T Swag & Macaltee King Feat. Honorebel, Camar & Je

Hang loose

Party

Got my head to the grindstone

I'm trying to act like a fool

My head is a lampshade

They can't find me at school

Well I'm an animal

Yes I'm a cannonball

They say I'm out for blood

One thing I wanna do is

Party all night (Oh-oh!)

Party all night (Oh-oh-oh!)

Party all night (Yeah!)

All night long

Driving right way on the wrong side

A bit too much to drink

Women in the backseat

And they don't know what to think

They say I've lost my head

You'll probably end up dead

But they're too blind to see

What's a party to me, yeah, yeah, yeah, yeah

Is to party all night (Oh-oh!)

Let's party all night (Oh-oh-oh!)

Party all night (Yeah!)

All night long

Uh!

Let's have a good time, good time

C'mon

Everybody's parties

I'm on a one way cruise
Lookin' for trouble
We got nothing to lose

They're on the telephone
They're trying to send me home
We're gonna pull the plug
We've got a new kind of school

Let's party all night
Let's party all night
Party all night
Let's party all night

(Yeah yeah yeah yeah yeah)

Let's party all night (Oh!)
(We're party animals, baby)
Let's party all night (Oh-oh-oh!)
(We've got nothing to lose)
Let's party all night
All night long, yeah!
