Some Velvet Morning

Firewater

Some velvet morning when I'm straight
I'm gonna open up your gate
And maybe tell you 'bout Phaedra
and how she gave me life
and how she made it in
Some velvet morning when I'm straightFlowers growing on the hill
Dragonflies and daffodils
Learn from us very much
Look at us but do not touch
Phaedra is my nameSome velvet morning when I'm straight
I'm gonna open up your gate
And maybe tell you 'bout Phaedra
and how she gave me life
and how she made it in
Some velvet morning when I'm straightFlowers are the things we knew
Secrets are the things we grew
Learn from us very much
Look at us but do not touch
Phaedra is my nameSome velvet morning when I'm straightFlowers growing on the hillI'm gonna open up your gateDragonflies and daffodilsAnd maybe tell you 'bout PhaedraLearn from us very muchAnd how she gave me lifeLook at us but do not touchand how she made it in
