

# What's On Your Mind (12" Club Mix)

## Information Society

I wanna know what you're thinking  
There is some things you can't hide  
I wanna know what you're feeling  
Tell me what's on you mindPure energy  
Pure energyHere I am in silence looking round without a clue  
I find myself along again all alone with you  
I can see behind your eyes the things that I don't know  
If you hide away from me how can our love grow?I wanna know what you're thinking  
There is some things you can't hide  
I wanna know what you're feeling  
Tell me what's on your mindI know I could break you down but what good would it do?  
I could surely never know that what you say is true  
Here I am in silence it's a game I have to play  
You and I in silence with nothing else to sayI wanna know what you're thinking  
There is some things you can't hide  
I wanna know what you're feeling  
Tell me what's on your mindPure energy, pure energy  
Destruction  
[Incomprehensible]  
Pure energy  
Destruction  
[Incomprehensible]Pure energy  
Destruction  
[Incomprehensible]  
Pure energy  
Destruction  
[Incomprehensible]  
Pure energyI wanna know what you're thinking  
There is some things you can't hide  
I wanna know what you're feeling  
Tell me what's on your mindI wanna know what you're thinking  
There is some things you can't hide  
I wanna know what you're feeling  
Tell me what's on your mind
