# Skeletons

## Lyon

You gotta a history
So what I got one too
Let's keep this mystery
Just between me and you
I gotta quench my thirst
Be still my hungry heart
You know I'm not afraid
Of what's hiding in the dark
Tell what are you waiting for
Hide and seek I don't play pretend
Give up the ghost and let me end
Oh how you make me moan
Right down your flesh and bone
You got away with what
I let you take me home
I still can feel that there's
Someone between your sheets
Echoing all around
I live your fantasy
Tell me what are you waiting for
Hide and seek I don't play pretend
Give up the ghost and let me end (me end, me end, me end)
Hide and seek I don't (hide and, hide and) Play pretend, I don't play pretend
Give up the ghost
Give up the ghost and let me end
