

Room for Happiness (Above & Beyond Remix)

Kaskade

Sometimes I wish I never felt the influence of you
'Cause now I feel the disconnect, like an open wound
Where you once were, there is a space that runs as deep as hell
 But every morning when I wake I tell myself
 Don't be fooled by your emptiness
 There's so much more room for happiness
 Don't be fooled by your emptiness
 There's so much more room for happiness
Yeah, yeah, yeahSometimes it's worth to have lost than to have never had at all
 'Cause it's a curse to feel loved then to feel it all dissolved
Where you once were, there is a space that runs as deep as hell
 But every morning when I wake I tell myself
 Don't be fooled by your emptiness
 There's so much more room for happiness
 Don't be fooled by your emptiness
 There's so much more room for happiness
Yeah, yeah, yeahDon't be fooled by your emptiness,
 There's so much more room for happiness
 Don't be fooled by your emptiness
 There's so much more room for happiness
 Yeah, yeah, yeah
