

# **Suicide Is Painless (MASH Theme)**

## **Marilyn Manson**

Through early morning fog I see  
The visions of the things to be  
Their pains that are withheld from me  
I realize and I can seeThat suicide is painless  
It brings on many changes  
And I can take or leave it  
If I pleaseThe game of life is hard to play  
I'm gonna lose it anyway  
The losing card I'll some day lay  
So this is all I have to sayThat suicide is painless  
It brings on many changes  
And I can take or leave it  
If I pleaseThe sword of time will pierce our skin  
It doesn't hurt when it begins  
But as it works its way on in  
The pain grows stronger, watch it grinSuicide is painless  
It brings on many changes  
And I can take or leave it  
If I pleaseA brave man once requested me  
To answer questions that are key  
Is it to be, or not to be?  
And I replied, oh why ask me?Suicide is painless  
It brings on many changes  
And I can take or leave it  
If I pleaseAnd you can do the same thing  
If you please
