

in Our Angelhood

Cocteau Twins

He's gonna chalk you out

In his angelhood

He's got the love, let- let us

Like he said he would, like he said he would

He's gonna chalk you out

In his angelhood

Please stand alone and let us Like he said he would, like he said he would

Like he said he would

Like he said he would

Like he said he would

Like he said he would

Like he said he would

Like he said he would

Like he said, the angelfish

In our angelhood Now our heart's on the edge

Like you said they would, like you said they would

We're truly angelfish

In our angelhood

Now our heart's on the edge

Like you said they would, like you said they would

Like you said they would In our angelhood In our angelhood In our angelhood Judging you, angelhood, judging you In our angelhood In our angelhood In our angelhood Judging you, angelhood, trust in him In our angelhood In our angelhood In our angelhood Judging you, angelhood, judging him In our angelhood In our angelhood In our angelhood
