

# Slide On Over

## Gordon Lightfoot

Momma's got her long dress on  
See how that little girl walks  
And now, we got it rollin'  
How're we gonna get it stopped? Momma's got somethin'  
Daddy needs more than a lot  
And now, we got it rollin'  
How're we gonna get it stopped? Momma put your long dress on  
I'd like to take that little girl to town  
And now, that we have rolled it  
How're we gonna hold it down? Gonna slide on over to that  
Pretty little love that I've found  
Now, we've got it rollin'  
How're we gonna hold it down? Now, Momma's got her long dress on  
Listen to that little girl talk  
And now, we got it rollin'  
How're we gonna get it stopped? Gonna slide on over to that  
Funny little love that I've got  
And now, we got it rollin'  
How're we gonna get it stopped? 'Cause my Momma's got somethin'  
Daddy needs more than a lot  
And now, we got it rollin'  
How're we gonna get it stopped?
