

Christmas Song

The Carpenters

All through the year we've waited
Waited through spring and fall
To hear silver bells ringing see winter time
Bringing the happiest season of allChestnuts roasting on an open fire
Jack frost nippin' at your nose
Yuletide carols being sung by a choir
And folks dressed up like EskimosEverybody knows a turkey and some mistletoe
Will help to make the season bright
Tiny tots with their eyes of a glow
Will find it hard to sleep tonightThey know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And every mother's child is going to spy
To see if reindeer really know how to flyAnd so I'm offering this simple phrase
To kids from one to ninety-two
Although it's been said many times
Many ways Merry Christmas to youThey know that Santa's on his way
He's loaded lots of toys and goodies on his sleigh
And every mother's child is going to spy
To see if reindeer really know how to flyAnd so I'm offering this simple phrase
To kids from one to ninety-two
Although it's been said many times
Many ways Merry Christmas to you
