

Let's Get Crazy

Slick Rick

{Scratching} get, get, get, get, get a lil' stupid [Let's get crazy!]
{Scratching} get, get, get, get, get a lil' stupid [Let's get crazy!]
 {Scratching} get, get, get, get [Let's get crazy!]
{Scratching} get, get, get, get, get a lil' stupid [Let's get crazy!]

[Verse One]

Well it's me, and it's time to mingle
So wake up world and bus' out my new single
I take dead bodies and I boost them up live
So straighten up and be alert because the ruler's arrived
No {Not uncle sam} but I can still recruit
As {Hip-hop commander} of the people's troop
So troop be troopers and follow commands
'cause' {No one can rule like the ruler Rick can}
Though some like it hot and some may like the shock
So let's get together what I mean is rock
No vanity, insanity {Strictly cloud}
Now put your hands together and scream and shout
 {Go Slick Rick!} and then go bizerk
But {Keep it at a limit so no one gets hurt}
And don't be boring please not lazy
My jam's packed so let's get crazy

[Chorus]

{Scratching} get a lil' stupid [Let's get crazy!]
{Scratching} Get, get, get a lil' stupid [Let's get crazy!]
{Scratching} Get, get, get a lil' stupid [Let's get crazy!]
{Scratching} Get, get, get, get a lil' stupid [Let's get crazy!]

[Verse Two]

The original, that's the title I've earned
Anybody disagreeing been burnt' and learnt'
Told a thief straighten up as I humble hell
And I {Bring a little rhythm} wherever I dwell
'cause' the door's wide open and I'm taking a chance
As I dip through Europe and I'm going to {France}
Now I always may try and play like full of fun
But in this type of rap I number one
Not number {Two} on a wild-style blizzard

And if I was in the OZ I'd be {Slick Rick the wizzard}
Or some yound man named MC Ricky D
And no fool can say they created me
So wild child, lets go bizerk
But keep it at a limit so no one gets hurt
And don't freeload 'cause' I'm not lazy
My jam's packed so let's get crazy

[Chorus]

{Scratching} get a lil' stupid [Let's get crazy!]
 {Scratching} get a lil' stupid [Let's get crazy!]
 {Scratching} get a lil' stupid [Let's get crazy!]
 {Scratching} get a lil' stupid [Let's get crazy!]
 {Scratching} Oh my God!
 {Scratching} Oh my God!
 {Scratching} Oh my God!

Excuse me Doug E. Fresh {Yes}

{Scratching} get a lil' stupid [Let's get crazy!]
{Scratching} get a lil' stupid [Let's get crazy!]

[Verse Three]

Well we're in the last station of the final chapter
 {Oh Ricky don't go} But you know that I have to
 So tell me daily news and all the magazines
 {Ricky D's in control} Of what? {Hip-hop scene}
 Uptown downtown the man's rated supreme
 If Martin Luther were here he'd say {Hey Rick I had a dream}
 And if I'm at a jam it must be pumping
 People dwell us light 'cause' it's them I'm stomping
 So y'all be adventurous {Shake and twist}
 I insist that this will bring more than just bliss
 A posse's and crewies' {Is the size you best}
 It's time to get {Stupid}, what I mean is {Fresh}
 Hey wild child lets go bizerk
 But keep it at a limit so no one gets hurt
 And don't be a crumb and try to phase me
 My jam's stacked so lets get crazy

[Chorus]

[illegible]

{ Scratching } get a lil' stupid [Let's get crazy!]

{ Scratching } get a lil' stupid [Let's get crazy!]

{ Scratching } get a lil' stupid [Let's get crazy!]
