

Joy Inside My Tears

Stevie Wonder

I've always come to the conclusion that 'but' is the way
Of asking for permission to lay something heavy on ones head
So I have tried to not be the one who 'll fall into that line
But what I feel inside I think you should know And baby that's you you you
Made life's his-to-ry
'Cause you've brought some joy inside my tears
And you have done what no one thought could be
You've brought some joy inside my tears I've always felt that tomorrow is for those who are too much afraid
To go past yesterday and start living for today
I feel that lasting moments are coming fr and few between
So I should tell you of the happiness that you bring
Baby, baby it's you you you
Made life's history
Oh baby, you've brought some joy inside my tears
Baby you have done what no one thought could be
You brought some joy inside my tears
You brought some joy inside my tears
You brought some joy inside my tears You've brought some joy inside my tears
Baby, baby you have done what no one thought could be
He why, you brought some joy inside my tears
Gotta tell you
You you you made life's history
You brought some joy inside my tears
You brought you brought you brought some joy inside my tears
Baby baby baby you have done what no one thought could be
You brought some joy inside my tears You made it baby you made it baby made it made life's his-to-ry
You you you made life's his-to-ry
You brought some joy inside my tears
You have done what no one thought could be
Nobody ever thought it would be
You have done what no one thought could be You you you made life's history
Gotta shout about it baby
You brought some joy inside my tears You have done what no one thought could be
You brought some joy inside my tears
You you you made life's history
You brought some joy inside my tears
You brought some joy inside my tears
You brought some joy inside my, tears
