

Wall to Wall

www.Qsound.ws

Pull up, pull up, can't believe the girls, club packed
What up, what up? Shawty wanna lead me to the back, to the back
Ain't been in here 15 minutes, got a pocket full of digits
And she just won't take no
Hold up, hold up, now little mama wanna get bad
Slow up, slow up, saying she don't wanna share what she have, she have
Ain't no particular one that's getting the water gun
So many that I want
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
Another two just came and said they love me on the radio
Two twins, that's a cool little scenario
They talking leaving right now
Wanna put in some time 'cause you know what they're already about
One talking about she like the way that I pop
And the other one said she wanna just watch
I'm game for any damn thang, but there's more than 200 dames
That's ready to go
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this

But they keep coming from wall to wall
So many look good in here
I don't even know which one I want
If I had to choose ya'll know
I would take all ya'll wit me
Who wanna try me on the floor
Who ready to come and get this
All I know that I'm feeling this party
And you can see I'm so with it
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall
They packed up in here wall to wall and
I don't hear nothing but ladies calling
Yea smash on the radio, bet I penned it
Yea smash on the radio, bet I penned it
Yea smash on the radio, bet I penned it
Yea smash on the radio, bet I penned it
