

Don't Know Where I'm Going

Rory Gallagher

I don't know where I'm going
I don't know where I've been
'Cause I haven't seen my baby
Since I don't know when I'm walking down that long road
With a smile up on my face
I'm broken hearted
But you won't see a trace
Feeling disconnected
These blues are out to kill
Sweep them in the corner
Put 'em in the bin
Alright so you don't sympathize
Don't expect that you should
Walk right for one day you might
Run into this patch of gray clouds too
Alright so you don't sympathize
I don't expect that you should
Stay bright for one day you might
Run into this patch of gray clouds too
Gravel in my pockets
From the places I have been
The soles of my shoes are paper thin
I got sand here in my pockets
From the place that I come from
That's where I'm going
So I'll say so long, yeah
Woh yeah, yeah, yeah, yeah
