

# More Than Words

## ExtremeÂ°

Sayin' I love you  
Is not the words I want to hear from you  
It's not that I want you  
Not to say it, but if you only knew  
How easy it would be to show me how you feel  
More than words is all you have to do to make it real  
Then you wouldn't have to say that you love me  
Cause I'd already know What would you do if my heart was torn in two?  
More than words to show you feel  
That your love for me is real  
What would you say if I took those words away?  
Then you couldn't make things new  
Just by saying I love you(la di da, blah di da da dada)  
More than words  
(lad di da da di da)Now that I've tried to talk to you and make you understand  
All you have to do is close your eyes  
And just reach out your hands and touch me  
Hold me close don't ever let me go  
More than words is all I ever needed you to show  
Then you wouldn't have to say that you love me  
Cause I'd already know What would you do if my heart was torn in two?  
More than words to show you feel  
That your love for me is real  
What would you say if I took those words away?  
Then you couldn't make things new  
Just by saying I love you(la di da da di da di da da)  
More than words  
(la di da da di da di da da)  
More than words  
(la di da da di da di da da)  
More than words  
(la di da da di da di da da)la di da da da daMore than words
