

Dreams (feat. Dana Jean Phoenix)

Timecop1983

Time flies
Doors open
Away goes the past
It's okay
Brave faces
Staring ahead
Some move forward
Others play dead
Look around
At where you have been
It's going down
Are you ready?
D'you wanna go, oh, oh, oh, oh?
Get away, ay, ay, ay, ay?
D'you wanna go, oh, oh, oh, oh?
Get away, ay, ay, ay, ay?
You wanna get away?
There is no turning back
There is no turning back
There is no turning back
There is no turning back
There is no turning back
There is no turning back
There is no turning back
There is no turning back
There is no turning back
Out here
The world is yours
To give away
Or keep and enjoy
A heavy soul
A hard-fought victory
Nothing's the same
As it used to be
Decisions
Playing tricks and leads
Follow your heart
It takes a leap
D'you wanna go, oh, oh, oh, oh?
Get away, ay, ay, ay, ay?

D'you wanna go, oh, oh, oh, oh?
Get away, ay, ay, ay, ay?
You wanna get away?
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (you wanna get away)
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (you wanna get away)
You wanna go, oh, oh, oh, oh? (there is no turning back)
Get away, ay, ay, ay, ay?
You wanna go, oh, oh, oh, oh? (there is no turning back)
Get away, ay, ay, ay, ay?
You wanna get away?
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (get away)
There is no turning back (you wanna...)
