Iâ€™m Gonna Make You Mine

Lou Christie

I'll try every trick in the book
With every step that you take, everywhere that you look
Just look and you'll find
I'll try to get to your soul, I'll try to get to your mindI'm gonna make you mine
I know I'll never give up, I'm at the end of my rope
From the morning till suppertime, you'll find
I'll be waiting in line, I'll be waiting in lineI'm gonna make you mine
Baby, I'm gonna make you mine
Make you mine, I'm gonna make you mine
Baby, I'm gonna make you mine, I'm gonna make you mineI'll try every trick in the book
With every step that you take, everywhere that you look
Just look and you'll find
I'll be waiting in line, I'll be waiting in lineI'm gonna make you mine
Baby, I'm gonna make you mine
Make you mine, I'm gonna make you mine
Baby, I'm gonna make you mine, I'm gonna make you mineI'll be a hard-lovin', pushin' kind of individual
Knockin' night and day at your door
You'll have to turn me away like an indestructible forceBaby, I'm gonna make you mine
Make you mine, I'm gonna make you mine
Baby, I'm gonna make you mine, I'm gonna make you mineI'll try every trick in the book
With every step that you take, everywhere that you look
Just look and you'll find
I'll try to get to your soul, I'll try to get to your mind
I'm gonna make you mineBaby, I'm gonna make you mine
Make you mine, I'm gonna make you mine
Baby, I'm gonna make you mine, I'm gonna make you mineBaby, I'm gonna make you mine
Make you mine, I'm gonna make you mine
Baby, I'm gonna make you mine, I'm gonna make you mine
