

# Lessons In Love

## KAOS

When you walk my way  
I feel the rush come over me  
    A sharp panic panic  
    It's the things you say  
That makes a rush come over me  
    It happens all the time  
I never was too good at following rules  
    Na na  
I'm better just pretending I was a fool  
    All day, all night  
    I got the lights in my eyes  
    And I'm falling for you  
    Keep cool, stay tough  
    But that's never enough  
And these are the lessons in love  
    All day, all night  
    I got the lights in my eyes  
    And I'm falling for you  
    Keep cool, stay young  
    I'm just having my fun  
    With the lessons in love  
    If I walk away  
I feel the push inside of me  
    That won't let me leave  
    But what could I say

To make you feel what's inside of me  
    This happens all the time  
I never was too good at following rules  
    Na na  
I'm better just pretending I was the fool  
    Get me out  
    All day, all night  
    I got the lights in my eyes  
    And I'm falling for you  
    Keep cool, stay tough  
    But that's never enough  
And these are the lessons in love  
    All day, all night

I got the lights in my eyes  
And I'm falling for you  
Keep cool, stay young  
I'm just having my fun  
With the lessons in love  
    All day, all night  
I got the lights in my eyes  
    All day, all night  
I got the lights in my eyes  
    All day, all night  
I got the lights in my eyes  
    All day, all night  
I got the lights in my eyes
