

# I Love You

Amy Grant

You were pretty crazy  
Back when we fell in love  
Wanting to be everything  
That I would be proud of  
Hours we spent dreaming  
How we'd beat the odds  
Now the truth has hit us  
Life is very hard  
Life can be so hard  
I love you, deeper than I ever dreamed of  
I need you, staying here till we can work it out  
I want you, knowing that through all the changes  
I love you, somehow I just had to tell you now, yeah  
Oh, to stay your princess  
If I only could  
If you never saw the rotten  
Only saw the good  
You'd still be prince charming  
But we would never know  
How it's in the darkest times  
True love finally grows  
Come on true love grow  
I love you, deeper than I ever dreamed of  
I need you, staying here till we can work it out  
I want you, knowing that through all the changes  
I love you, somehow I just had to tell you now  
You got me, I got you  
Sometimes it takes a little working through  
But I can tell you now  
I love you, deeper than I ever dreamed of  
I need you, staying here till we can work it out  
I want you, knowing that through all the changes  
I love you, somehow I just had to tell you  
I love you, deeper than I ever dreamed of  
I need you, staying here till we can work it out  
I want you, knowing that through all the changes  
I love you, somehow I just had to tell you  
I need you  
I love you  
I need you  
I love you
