

Woman of Mass Distraction

Alice Cooper

Advisory - the following lyrics contain explicit language:

I'm a Shock-Rock Romeo
I like to leave 'em shattered
Oh, I can love 'em and leave 'em
It doesn't really matter I never met my match
Until I met that lady
She hooked me, she cooked me
She practically filleted me Some girls try to get you in bed
Some girls are like a kick in the head
Some girls make you wish you were dead
Some girls will make you blue
When you should be seeing red She's a woman
Some kind of woman
I got a woman
A woman of mass distraction The first time I saw her
She said she want to date me
The next time I come back
She tried to castrate me Some girls try to get you in bed
Some girls are like a kick in the head
Some girls make you wish you were dead
Some girls will make you blue
When you should be seeing red She's a woman
Some kind of woman
I got a woman
A woman of mass distraction She's a woman
Some kind of woman
I got a woman
She's a woman She's a woman
Some kind of woman
She's a woman
Some kind of woman
