Good Thing (Doomsday OST)

Fine Young Cannibals

The one good thing in my life
Has gone away
I don't know why
She's gone away
I don't know where
Somewhere I can't follow herThe one good thing didn't stay too long
Woo who who who
My back was turned and she was gone
Hey hey heyGood thing
Where have you gone
Doo doo doobie doo
My good thing
You've been gone too long
Good thing
Doo doo doobie dooPeople say I should forget
New friend tomorrow
Don't get upset
People say she's doing fine
Mutual friends I see sometimeThat's not what I want to hear
Woo who who who
I want to hear she wants me nearGood thing
Where have you gone
Doo doo doobie doo
My good thing
You've been gone too long
Good thing
Doo doo doobie doo
Good thingThen one day she came back
I was so happy that I didn't act
Morning came
Hey hey hey heyInto my room
Woo who who who
Caught me dreaming like a foolGood thing
My good thing
Doo doo doobie doo
My my my my my good thing
Where have you gone
Good thing
Doo doo doobie doo

My good thing
Hey hey my good thing
Doo doo doobie doo good thingGirl
Where have you gone
Good thing
Doo doo doobie doo good thingIt's been so long
Good God girl
