Baby

[Wyclef Jean](#)

I wanna thank y'all for coming to see the preacher's son tonight
Thank you, fellas, hold on to your girl right now
Yeah right now we're gonna slow the whole dance floor down
Oh yeah, take it back to the old school, let's go
Baby, let me holla at you
You know there's no greater love
Than a woman who loves a man
And a man who loves his woman, ahh yeah
I wanna love ya, and I ain't talking trash neither
This is something that I can feel deep in my soul, oh yeah
We gonna listen to some Marvin, we gonna listen to some Isley
We gonna listen to some Teddy Pendergrass, Pendergrass
Ooh, once I got you in the mood, I wanna introduce myself to you
We gonna listen to Smokey, we gonna listen to Stevie
We gonna listen to Donny Hathaway
Ooh, would you please lay your body next to mine, oh yeah
Doggy, and I ain't talking 'bout my pit bull neither
I'm talking about the first lady
That was there in the beginning
When your daughter wasn't with it, oh yeah
I wanna love ya, and I ain't talking trash neither
This is something that I can feel deep in my soul, oh yeah

We gonna listen to some Marvin, we gonna listen to some Isley
We gonna listen to some Teddy Pendergrass
Ooh, once I got you in the mood, I wanna introduce myself to you
We gonna listen to Smokey, we gonna listen to Stevie
We gonna listen to Donny Hathaway
Ooh, would you please lay your body next to mine, oh yeah
Yeah, I'm a young man with a old school, girl
But then you told me a good woman
Is worth more than diamonds and precious pearls
Yeah, yeah, yeah
So lay back, and let me massage you, everywhere now
I can feel them move in your body
Get me harder, harder, harder, harder, harder
You make me so hot
We gonna listen to some Marvin, we gonna listen to some Isley
We gonna listen to some Teddy Pendergrass

Ooh, once I got you in the mood, I wanna introduce myself to you
We gonna listen to Smokey, we gonna listen to Stevie
We gonna listen to Donny Hathaway
Ooh, would you please lay your body next to mine, oh yeah
