Honestly

Ekolu

I Love You, I Need You
To Hold Me Every Night
And When you're Feeling Lonely,
Girl I'll Be By Your Side.

Tell You That I Love You So
I'll Hold You And Never Let You Go
Girl Tell Me Your Love Belongs To Me
And I'll Love You Honestly.

I Want You To Know That
I'm Always Here For You
Through Your Bad Times, Your Saddest Times
I'll Help You See It Through

I'll Comfort You When you're Alone
I'll Give You Love Like You Never Known
Girl Tell Me Your Love Belongs To Me
And I'll Love You Honestly.

There Will Be Times When Life Will Seem Unfair
But You Can Run To Me Cause You Know Girl I Will Be There
I'll Comfort You When you're Alone
I'll Give You Love Like You Never Know

Girl Tell Me Your Love Belongs To Me
And I'll Love You Honestly.
And I'll Love You Honestly
And I'll Love You Honestly
And I'll Love You Honestly
