Mega!! Kung Fu Radio

Powerman 5000

What's that sound that you're hearin'?
What's that noise?
What's that sound that you're hearin'?
And what's that noise?
What's that sound that you're hearin'?
What's that noise?
What's that sound that you're hearin'?
And what's that noise?
It sounds like a trash can explodin'
It sounds like a mess
It sounds like you're feelin' pretty good
It sounds like a world in distress
It sounds like the speaker's broken
It sounds like a fire
It sounds like okay, okay
It sounds like a riot
Mega!! Kung Fu Radio
Mega!! Kung Fu Radio
Mega!! Kung Fu Radio, yeah
Mega!! Kung Fu Radio
What's that sound that you're hearin'?
What's that noise?
What's that sound that you're hearin'?
What's that noise?
What's that sound that you're hearin'?
What's that noise?
What's that sound that you're hearin'?
And what's that noise?
It sounds like a freak of nature
It sounds like you've been gone for awhile
It sounds like you ain't so happy
It sounds like 5000 style
It sounds like you think that you're bulletproof
It sounds like, hey, what can I say?
It sounds like we're takin' over
It sounds like get out of my way
Mega!! Kung Fu Radio
Mega!! Kung Fu Radio
Mega!! Kung Fu Radio, yeah

Mega!! Kung Fu Radio
What's that?
What's that?
What's that?
Sound
