

Mass Nerder

Descendents

Don't got no goatee
Don't got no tattoo
Don't got no nose ring
Don't wanna be like youCheck out these glasses
So I'll never be cool
Always get my assed kick
When I get to schoolDon't worry about image
Don't got no attitude
I know I won't get laid
If I wont be like you!Don't got no biceps
Don't got no pecks
But I'll read you under the table
With my thick specksSee I got these glasses
So they kick my ass
But I'll kick their asses
When I get to classI got these glasses
So I can't wear shades
I'll kick their asses
I'll get good gradesGonna kick their asses in class
Gonna kick their asses in class
Gonna kick their asses in class
Gonna get good grades!I can't get rid of the times
Can't stop the party line
Don't know what the scenes about
Don't tell me to mellow out!Don't got no goatee
No fucking safety pin
No I ain't no junkee
Don't got no heroinDon't got no styling lotion
Don't wanna live by the ocean
Just wanna be myself
All you poseurs go to hell!Gonna kick their asses in class
Gonna kick their asses in class
Gonna kick their asses in class
Gonna get good grades!Asses in class
