Crossfire (Chew Fu Friendly Fire Fix)

Brandon Flowers

There's a still in the street outside your window
You're keepin' secrets on your pillow
Let me inside, no cause for alarm
I promise tonight not to do no harm
I promise you baby, I won't be no harmAnd we're caught up in the crossfire
A heaven and hell
And were searching for shelter
Lay your body down
Lay your body down
Lay your body downWatching your dress as you turn down the light
I forget all about the storm outside
Dark clouds roll their way over town
Heartache and pain came pouring down like
Chaos in the rain, yeah
They're handing it outAnd we're caught up in the crossfire
Heaven and hell
And were searching for shelter
Lay your body down
Lay your body down
Lay your body down
Lay your body down
Lay your body down
Lay your body downTell the devil that he can go back from where he came
His fiery arrows drew their beat in vein.
And when the hardest part is over we'll be here
And our dreams will break the boundaries of our fears
Boundaries of our fearsLay your body down
Lay your body down
Lay your body down
Lay your body down
Lay your body down
Lay your body downNext to mine
