

# Crossfire (Chew Fu Friendly Fire Fix)

## Brandon Flowers

There's a still in the street outside your window  
You're keepin' secrets on your pillow  
Let me inside, no cause for alarm  
I promise tonight not to do no harm  
I promise you baby, I won't be no harm And we're caught up in the crossfire  
A heaven and hell  
And were searching for shelter  
Lay your body down  
Lay your body down  
Lay your body down Watching your dress as you turn down the light  
I forget all about the storm outside  
Dark clouds roll their way over town  
Heartache and pain came pouring down like  
Chaos in the rain, yeah  
They're handing it out And we're caught up in the crossfire  
Heaven and hell  
And were searching for shelter  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down Tell the devil that he can go back from where he came  
His fiery arrows drew their beat in vein.  
And when the hardest part is over we'll be here  
And our dreams will break the boundaries of our fears  
Boundaries of our fears Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down  
Lay your body down Next to mine
