

# Walk Me Home

## Marvin Bridge & The Haddocks

Walk me home, I don't wanna go all the way alone  
Baby would you walk with me home?  
Baby would you take my hand?  
Come with me now to a special land  
Baby would you walk with me home?  
3 a.m., you're on my mind once again  
I must have been dreaming  
Thought I felt your heart beat just then  
And I wondered how it would be  
If I was your lady and you were my friend  
I would put my heart in your hand and it would never end  
Baby would you walk me home?  
I don't wanna go all the way alone  
Baby would you walk with me home?  
Baby would you take my hand?  
Come with me now to a special land  
Baby would you walk with me home?  
I hold your picture next to my heart  
All the time, oh yeah baby  
You're my dream come true so glad you're mine  
And I wondered how it would be  
If I was your lady and you were my friend  
I would put my heart in your hand and it would never end  
Baby would you walk me home?  
I don't wanna go all the way alone  
Baby would you walk with me home?  
Baby would you take my hand?  
Come with me now to a special land  
Baby would you walk with me home?  
Every day and night I wanna hold you  
Understand that I am gonna love you  
In my own special way  
Baby would you walk me home?  
I don't wanna go all the way alone  
Baby won't you walk with me home?  
Baby would you take my hand?  
Come with me now to a special land  
Baby would you walk with me home?  
Baby would you walk me home?

I don't wanna go all the way alone  
Baby would you walk with me home?  
Would you walk with me home?
