

# Peace of Mind

## DecembeRadio

Get out of my head, get out of my mind  
I'm starting to unwind  
Got a bittersweet smile that I'm trying to hide  
And its killing me insideTell me why?  
Give me back my sanityI'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mindDon't get any sleep, don't get any rest  
With this weight upon my chest  
Stop givin my heart cardiac arrest  
Cause you're killing me insideTell me why?  
Give me back my sanityI'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mindGet away, get away from me  
You fed me nothing but lies  
I see through your disguiseGet away, get away from me  
Cause Im leavin it all behind  
For my peace of mindI'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mindI'm ready to find  
My peace of mind, my peace of mind  
Help me God I'm ready to find  
My peace of mind, my peace of mind  
My peace of mind
