Like A Wolf

Blue Felix

studied pictures and he studied ways
and he studied words he couldn't say
spoken riddles, a passing phase
won't you burn a little
how does it taste?
getting brighter, an anecdote
now won't you dim the lights and watch your cherry glow?
all I wanted, all I see
all we want is..
is everythingwith these words I'll say to thee
won't you take it all, yours to keep
I'd tear your heart out when you sleep
I feel like the wolf dressed like a sheepGetting brighter, an anecdote
won't you dim the lights and watch your cherry glow?
all I've wanted, all I see
all we want is..
everythingwith these words I'll say to thee
won't you take it all, yours to keep
I'd tear your heart out when you sleep
I feel like the wolf dressed like a sheep
