Let Me Tell You About Love

Well, ever since the day that time began

There's been this thing 'tween a woman and a man

Well, I don't know but I do believe

It started in the garden with Adam and Eve
Sampson and Delilah had their fling

'Til she cut his hair and clipped his wing

It don't matter how the story's told

Love stays young, it can't grow old (Chorus)

Let me tell you about love

About the moon and stars above

It's what we've all been dreamin' of

Let me tell you about love
Well, Bonaparte and Josephine

I believe they had a pretty good scene

Until she said, Bony boy, we're through!

That's when he met his Waterloo
Julie baby and Romeo

Fell in love and stole the show

I know they are history

But there ain't been nothin' like you and me (Repeat Chorus)
Now Sheba she was a beauty queen

The purtiest thing that you ever have seen

Soloman he was a mighty wise

'Til Sheba she done caught his eye

The world would be in a dreadful fix

If it wasn't for the love between the cats and chicks

This world wouldn't amount to much

Without a hug and a kiss and a tender touch (Repeat Chorus)
Let me tell you about love

Let me tell you about love
