Good Mourning

Talib Kweli & Hi-Tek

Good mourning silence
Good mourning to myself
Good mourning to the pain in the center of my chest

It's crazy how much I miss
A simple good morning kiss
Oh, oh

Good mourning independence, or is it loneliness?
I know I said I wanted this, but I have regrets

I pray for God's will to be done
The very next day you were gone
Oh, oh

Good mourning to the harsh realities of life
And good mourning to the fact we're not husband and wife

We made a promise to stay
But destiny got in the way
Oh, oh

Good mourning

Good mourning acceptance
Good mourning inner strength
I'm loving every moment, even the strain

It's crazy how much I miss
A simple good morning kiss, oh
It's crazy how much I've missed
Now it's time for me to live
Oh, oh

Good morning

Good mourning optimism
Good mourning to my faith
Good mourning to the beginning of a brand new day

I know that God's will will be done
So I lay down my pain, and I'm moving on

I know that God's will will be done
So it's a good morning after all
