

# Blue Night (2002 Remaster)

## Michael Learns to Rock

Lately you have been asking me  
If all my words are true  
Don't you know I'll do anything for you Sometimes I haven't been good to you  
Sometimes I've made you cry  
And I am sorry for everything But I promise you girl  
I promise you this When the blue night is over my face  
On the dark side of the world in space  
When I'm all alone with the stars above  
You are the one I love So there's no need to worry girl  
My heart is sealed for you  
And no one's gonna take it away Cos' I promise you girl  
I promise you this When the blue night is over my face  
On the dark side of the world in space  
When I'm all alone with the stars above  
You are the one I love Your voice is calling to me in my dreams  
My love is stronger than it's ever been
