

Bad Words

Fangclub

I've been working overtime
Trying to project my mind
I've been working overtime for you to hold my mindI've been sleeping everyday
Wasting all my time away
I'll keep waiting anyway for you toTake me by the hand
Make me understand
I've been living backwards
Heavy in my head
Shake me wide awake
Show me my mistakes
I've been hearing bad words heavy everyday
I've been hearing bad words heavy everyday
I've been talking to myself
I ain't got nobody else
I've been talking to myself
But I wont
Listen to
Truth is I'm a liar, yeah
Not another lie, I swear
This is my desire, I guess I want youTake me by the hand
Make me understand
I've been living backwards
Heavy in my head
Shake me wide awake
Show me my mistakes
I've been hearing bad words heavy everyday
I've been hearing bad words heavy everyday
Take me by the hand
Make me understand
I've been living backwards
Heavy in my head
Shake me wide awake
Show me my mistakes
I've been hearing bad words heavy everyday
I've been hearing bad words
I've been living backwards
I've been hearing bad words heavy everyday
I've been hearing bad words
I've been living backwards

I've been hearing bad words heavy everyday

I've been hearing bad words heavy everyday

I've been hearing bad words heavy everyday
